NEW JERSEY AUDUBON LOOKS FORWARD TO SHARING THE
WONDERS OF NATURE WITH YOUR CHILD THIS SUMMER.

Now more than ever, we know how important it is for
children to get outdoors. To run and jump and splash; to
watch and wonder and be excited about the natural world.
Our 2021 Camps are designed to do just that!

All Federal, State, and local health guidelines will be followed
to keep children and our summer camp teachers safe. Class
size will be limited with strict adherence to wearing masks.

NJ Audubon membership is required to sign up for camps.
Members strengthen the voice with which NJA speaks out for
protection of NJ's wildlife and natural areas.
