

# Help Clear a Path for Native Habitats

## The Cape May Habitat Restoration Task Force

is dedicated to bringing the community together to restore habitat and to better address non-native invasive plants in Cape May County.

## How you can get involved

- 1 Plant native plants
- 2 Volunteer at a local restoration site
- 3 Attend a meeting or workshop
- 4 Learn to identify invasive plants
- 5 Help monitor and control invasive plants
- 6 Visit [njudubon.org](http://njudubon.org) to learn more and like us on facebook
