

# WEDNESDAY JUNE 10 INVASIVE PLANTS 101

## TAKE BACK YOUR BACKYARD

Join the Cape May Habitat Restoration Task Force for an informative evening to discuss the importance of non-native invasive plant management in your own back yard. Topics to be discussed include...

- ◇ **Introduction to the Task Force**  
*Kristen Meistrell, NJ Audubon*
- ◇ **Invasive Plants 101: What Is It?**  
*Mike Crewe, Cape May Bird Observatory*
- ◇ **Native Alternatives to Invasive Problems**  
*Joe Alvarez, Horticulturist*
- ◇ **Restoration: It's Worse Before it Gets Better**  
*Adrianna Zito-Livingston, The Nature Conservancy*
- ◇ **What You Can Do to Take Back Your Backyard!**  
*Kristen Meistrell, NJ Audubon*

**PLUS... ACCESS THE 2015 "DO NOT PLANT" LIST & YOUR QUESTIONS ANSWERED BY THE PRO'S!**

Do you enjoy gardening and want to help the environment?

Need help identifying how to treat that pesky weed?

Learn what you can do to safeguard against unwanted backyard plant invasions
