

2018 NJ Green Building & Green Ribbon Schools Tour!

U.S. Department of Education Green Ribbon Schools (ED-GRS) share promising practices and resources in the areas of safe, healthy, and sustainable school environments; nutrition and outdoor physical activity; environmental and sustainability education. To bring additional attention to New Jersey's honorees' practices, NJSBA, USGBC NJ Chapter and NJ Audubon have selected ED-GRS and USGBC LEED certified schools to share their work with key school and community stakeholders.

We're excited to showcase three schools in the Neptune and Long Branch area according to the following schedule:

WHEN: TUESDAY, NOVEMBER 13TH

- 1:00 PM George L. Catrambone Elementary School
240 Park Avenue, Long Branch, NJ 07740
- 3:30 PM Summerfield Elementary School
1 Summerfield Ln, Neptune, NJ 07753
- 4:30 PM Midtown Community Elementary School
1155 State Route 33, Neptune, NJ 07753

Contact John Henry at jhenry@njsba.org or Allison Mulch at allison.mulch@njudubon.org with any questions, and please join us!
