

Summer Nature Day Camps – Useful Information

NJA Summer Nature Camps at Scherman Hoffman Wildlife Sanctuary

Camp Address

Scherman Hoffman Wildlife Sanctuary
11 Hardscrabble Road
Bernardsville, NJ 07924

(908) 396-6386 (front desk)
shws@njaudubon.org

Arrival

Please drop off campers between 8:50am and 9:00am.

If participating in pre-care, please drop off *no earlier* than 8:30am.

Please use entrance at the second level parking lot. Bring your child to the camp room and sign in every day.

Pick-Up

Please pick up campers at 3:30pm. Pre-school camp pick-up is at noon.

If participating in post-care, please pick up *no later* than 5:00pm.

Please pick up your child in the camp room and sign out every day.

What to Wear/Bring

This is a nature camp, so campers will get dirty and wet – and have a great time!

- Shorts or light pants
- Lightweight shirt
- Socks and closed-toe shoes
- Water clothes (please pack every day)
 - Water shoes must be closed-toe (please note, Crocs are *not* acceptable footwear)
 - Nylon shorts
 - T-shirt
 - Towel
- Please pack a full set of extra clothes, including shorts, shirt, underwear, socks, and closed-toe shoes so your child can change in the event they get wet and muddy
- A hat
- Insect repellent/sunscreen (please also apply before arrival at camp each day)

- Packed lunch every day (we have a refrigerator)
- Water bottle every day: drinking water during hot days is essential to prevent dehydration. (We have a water fountain for refills)
- We provide lemonade, water, and popcorn for an afternoon snack. Please feel free to pack a snack if your child prefers something else.

We will avoid tall grass and contact with brush to minimize our exposure to ticks. We do daily tick checks, but you should also check your child for ticks every day at home.

What not to bring

- Portable listening devices
- Cell phone (unless specifically requested by parent)
- Jewelry, watch, or other expensive items
- Anything that would be ruined if it gets wet
