NEW JERSEY AUDUBON LOOKS FORWARD TO SHARING THE WONDERS OF NATURE WITH YOUR CHILD THIS SUMMER.

Now more than ever, we know how important it is for children to get outdoors. To run and jump and splash; to watch and wonder and be excited about the natural world. Our 2022 Camps are designed to do just that!

All Federal, State, and local health guidelines will be followed to keep children and our summer camp teachers safe. Class size will be limited with strict adherence to wearing masks.

NJ Audubon membership is required to sign up for camps. Members strengthen the voice with which NJA speaks out for protection of NJ’s wildlife and natural areas.

FAMILY FUN WEEK
For families with children 3 years and older
REGISTRATION THROUGH EVENTBRITE.

SESSION 1: JULY 5 & 6
9:00 A.M. to 12:00 P.M. each day

SESSION 2: JULY 7 & 8
9:00 A.M. to 12:00 P.M. each day

Cost: $150 Adult/child,
$40 each additional family member

NJA Members: $135 Adult/Child,
$36 each additional family member

The whole family can join in the fun! This 2-day session is all about nature exploration together, utilizing our Summer Quest guides and everyone’s favorite summer camp activities. We might explore the river, look for creatures under logs in the forest, catch bugs in the field, or look for tadpoles in the pond. The Summer Quest guides packed with nature-based activities will also be available to take home to continue your exploration beyond Scherman Hoffman Wildlife Sanctuary.

STATE OF NEW JERSEY SUMMER CAMP CERTIFIED

Connecting All People with Nature and Stewarding the Nature of Today for All People of Tomorrow.

NEW JERSEY AUDUBON
www.njaudubon.org
CREEPY CRAWLIES August 8 to 12
Grasshoppers, spiders, and slugs - oh my! Turn over logs, scoop the pond, search the stream, and roam the field in search of the wiggly, crawly critters there.

WHERE THE WILD THINGS ARE August 1 to 5
Discover the wild and amazing creatures of the sanctuary! We’ll track mammals, hunt for bugs, sneak up on frogs, use binoculars to find birds, and meet the not so wild live animals of the center.

WATER WANDERERS July 18 to 22
There is nothing more fun than scooping into a pond to catch tadpoles and baby dragonflies or wading into the river to catch a crayfish! We’ll explore the freshwater habitats of the sanctuary to learn all about water and the creatures that live in it.

SCALES & SLIME July 25 to 29
We’ll be searching for frogs, toads, turtles, salamanders and more! We’ll search the sanctuary’s aquatic habitats for our amphibian friends, and sunny spots and wetlands where reptiles may be found. Meet our resident reptiles and amphibians at the center and learn about their unique adaptations that enable them to survive.

ARTHROPOD ADVENTURES August 8 to 12
More than just bugs! We’ll search the habitats of the sanctuary for the crawling critters on land and in water and learn what kind of arthropod they are.

ECO ART August 22 to 26
Paint a watercolor at the river, color with nature’s crayons, create a mandala, and more! We’ll explore art in nature. We’ll be creating nature inspired art with a variety of media including natural materials.

WATER STRIDERS August 15 to 19
Explore the sanctuary’s ponds and stream for aquatic life. Use nets and buckets to capture the creatures who love these wet places. A fascinating world awaits us where water and land meet!

FISHING CAMP June 27 to July 1
Join us for five days of fishing fun and instruction. We’ll cover all the basics from gear, bait and lures to proper fish handling and conservation ethics. We will meet and fish at different publicly accessible ponds or streams within 15 miles of Scherman Hoffman and fish the Passaic River at the sanctuary. Bring your own gear: rod, reel, and a tackle box. Transportation not provided.

WILDERNESS SKILLS July 11 to 15
Learn some of the basics of wilderness survival. We’ll learn how to set up a shelter, build a campfire, make a fishing pole and go fishing, and more. We’ll end our week with cooking a snack over our campfire.

WILDERNESS ADVENTURES August 29 to September 2
This week we’ll be where the water is! Spend the week catching fish, frogs, crayfish, aquatic insects, and more, and learn about these animals and the wetlands where they live.

TOADS TO TURTLES July 25 to 29
Discover the world of reptiles and amphibians! Look for salamanders, frogs, turtles, and snakes as we explore the land and water of the sanctuary. Meet the center’s resident herptiles.

Day Camp Time and Fees:
9:00 A.M. TO 3:00 P.M.

Early-bird Registration $335/week until March 15
After March 15 $350/week
