NEW JERSEY AUDUBON LOOKS FORWARD TO SHARING THE WONDERS OF NATURE WITH YOUR CHILD THIS SUMMER.

Now more than ever, we know how important it is for children to get outdoors. To run and jump and splash; to watch and wonder and be excited about the natural world. Our 2023 Camps are designed to do just that!

All Federal, State, and local health guidelines will be followed to keep children and our summer camp teachers safe.

NJ Audubon membership is required to sign up for camps. Members strengthen the voice with which NJA speaks out for protection of NJ’s wildlife and natural areas.
