SUMMER 2024

NATURE CAMPS

NEW JERSEY AUDUBON LOOKS FORWARD TO SHARING THE
WONDERS OF NATURE WITH YOUR CHILD THIS SUMMER.

Now more than ever, we know how important it is for
children to get outdoors. To run and jump and splash; to
watch and wonder and be excited about the natural world.
Our 2024 Camps are designed to do just that!

All Federal, State, and local health guidelines will be followed
to keep children and our summer camp teachers safe.

NJ Audubon membership is required to sign up for camps.
Members strengthen the voice with which NJA speaks out for
protection of NJ's wildlife and natural areas.

June 24th – June 28th NATURE ART

Join us for a fun-filled week of creativity and nature exploration! Nature Art Camp is the perfect opportunity for kids to unleash their artistic talents while enjoying the great outdoors. Campers will create beautiful artwork inspired by the natural surroundings of the sanctuary. Do not miss this exciting opportunity to connect with nature and nurture your child's creativity.

July 8th – 12th BIRDS OF A FEATHER

Let's flock together at Lorrimer Sanctuary! Campers will learn how to use binoculars, identify birds, examine nests and feathers up close, and study bird behaviors through games and activities. Working together, we will build our very own Lorrimer Sanctuary nest boxes that will provide shelter for baby birds!

July 15th – 19th WATER WORLD

Let's dive into the wonderful world of water! Experience water in a whole new way as we investigate pond and stream life, learn about the life cycle of aquatic animals, and play water games to beat the summer heat!

July 22nd – 26th PRICKLY AND POISONOUS

From monarchs to millipedes, learn about cool adaptations of plants and animals, including poison, spines, mimicry, warning colors, venom, and more during this camp week! Each day we'll investigate a different kind of defense mechanism and explore these concepts through hands-on play and nature study.

August 5th – 9th SCALES AND TAILS

Crawl your way to camp this week as we study the reptiles and amphibians that inhabit New Jersey Forests! We will be searching for snakeskin sheds, scouring our stream for frogs, and rolling logs to unearth their slimy residents.

August 12th – 16th WILD CHILD CAMP

Bring out the wild in your child while we explore and experiment with various survival techniques! This week we will build shelters, learn about natural dyes and paints, develop wilderness safety skills, and culminate with a family campfire.

August 19th – 23rd LEAVES AND LOGS

Learn about the trees that make up the forest at Lorrimer. From sweet-smelling Sassafras, to towering pines, and all the understory in between, we will be discovering the lifecycle of trees from soil to sky! Campers will investigate bark, leaves, and decomposing trees through hands-on exploration, games and more!

August 26th – 30th GREATEST HITS!

Come play camp favorite games like Poison Dart Frog, Camouflage, and Tsunami, build shelters, roll logs, visit with Lorrimer's resident reptiles, and have a blast as we celebrate the last week of summer vacation!

5th – 8th Grade

8:30 am – 12:30 pm | Price \$375* unless otherwise noted
(5% discount for early bird pricing).

June 24th – June 28th FISHING 1

Join us for five days of fishing fun and instruction. Whether you're already an experienced fisher, or a beginner eager to learn, this camp is for you! We'll cover all the basics from gear, bait and lures to proper fish handling and conservation ethics. Each day we will meet at a different publicly accessible pond or stream in the local area. Bring your own gear: rod, reel, and a tackle box (if you don't have your own gear, ask us about loaners).

July 1st- 3rd Price: \$250* CONSERVATION CORPS. CAMP

Join us for 3 days of hands-on stewardship projects! We'll be forging trails, planting native species, using technology to investigate the local flora and fauna and learning digital nature photography techniques. Each day we will meet at a new local natural area.

July 8th – 12th FISHING 2

Join us again as we meet at a different natural area each day in search of fish and the skills necessary to catch them! *Participation in the first week of Fishing camp is not necessary to join us. See description for SESSION I. Transportation is not provided.

July 15th- 19th FISHING 3

Whether it is your first-time fishing, or this is the third week spent with Lorrimer, join us again as we meet at a different natural area each day in search of fish and the skills necessary to catch them! *Participation in other weeks of Fishing camp is not necessary to join us for this week! See description for SESSION I. Transportation is not provided.

July 22nd – 26th Price: \$400* ADVANCED FISHING

Learned it all in Fishing I, II and III? Test your knowledge as we meet at different natural areas each day in search of fish and the skills necessary to catch them! *Participation in other weeks of Fishing camp is not necessary to join us for this week, though some fishing experience is required. Additional field trips include LL BEAN Outdoor Discovery Fly-casting and kayaking lessons and fishing at the Haworth Reservoir with Veolia.

August 5th – 9th REPTILES AND AMPHIBIANS

Do you like frogs, snakes, salamanders, and turtles? Did you know there are 71 species of reptiles and amphibians in NJ? Spend a week with us to see how many we find. Each day we will meet at a different natural area in search of our slimy, scaly friends! Field trips include Ramapo Lake, Ramapo Reservation, Franklin Lakes Nature Preserve, and Campgaw Reservation. Transportation is not provided.

August 12th – 16th WILD SURVIVAL

Learn some of the basics of outdoor survival. Learn how to build a shelter, track animals, find water, use a compass, and learn how to live off the land. Make a fishing pole and go fishing, make a hiking stick, learn how to build a campfire, and more. Each day we will meet at a different public park. Transportation is not provided.
