NEW JERSEY AUDUBON SOCIETY Financial Statements August 31, 2023 and 2022 With Independent Auditor's Report

Independent Auditor's Report	1-2
Financial Statements	
Statements of Financial Position	3
Statements of Activities and Changes in Net Assets	4
Statements of Cash Flows	5
Statements of Functional Expenses	6-7
Notes to Financial Statements	8-21

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of New Jersey Audubon Society:

Opinion

We have audited the financial statements of New Jersey Audubon Society, which comprise the statements of financial position as of August 31, 2023 and 2022, and the related statements of activities and changes in net assets, cash flows and functional expenses for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of New Jersey Audubon Society as of August 31, 2023 and 2022, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Society and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Society's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Society's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Society's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Withum Smith + Brown, PC

1. THE SOCIETY AND PURPOSE

New Jersey Audubon Society ("New Jersey Audubon," "NJA," or "the Society"), founded in 1897, is a New Jersey not-for-profit corporation incorporated in 1937. The overall purposes are to connect all people with nature and to steward the nature of today for all people of tomorrow. New Jersey Audubon's conservation programs are focused on recovering wildlife, stewarding habitat, and connecting people to nature through action and education. NJA implements strategies that directly address the impacts of climate change and seeks to create resilient communities for wildlife and people, while also ensuring that NJA is a diverse, equitable and inclusive workplace.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States ("U.S. GAAP"). As such, financial reporting by not-for-profit organizations requires that resources be classified for accounting and reporting purposes into net asset categories according to externally (donor) imposed restrictions. The Society has recorded accounting transactions in two net asset categories as follows:

Net assets without donor restrictions: Net assets that include expendable resources that are used to carry out the Society's operations and are not subject to donor-imposed stipulations. Net assets without donor restrictions may be designated for specific purposes by the Society or may be limited by contractual agreements with outside parties. Board designated net assets are included as net assets without donor restrictions.

Net assets with donor restrictions: Net assets subject to donor imposed restrictions that will be fulfilled by the passage of time or actions of the Society. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

Revenues and gains and losses on investments and other assets are reported as changes in net assets without donor restrictions unless limited by explicit donor-imposed restrictions or by law. Expenses are reported as decreases in net assets without donor restrictions and are allocated to functional categories depending upon the ultimate purpose of the expenditure. Releases of net assets with donor restrictions which include either the satisfaction of a donor requirement or the passage of time are reported as net assets released from restrictions in the statements of activities and changes in net assets.

Cash and Cash Equivalents

Cash and cash equivalents are short term, highly liquid investments with a maturity date of three months or less on the date of acquisition.

Investments

Investments in equity securities with readily determinable values and all investments in debt securities are measured at fair value in the statements of financial position. Gains and losses, both realized and unrealized, resulting from increases or decreases in the fair value of investments are reflected in the statements of activities and changes in net assets as increases or decreases in net assets without donor restrictions unless the use was restricted by explicit donor stipulations or by law.

Merchandise Inventory

Inventory, consisting entirely of merchandise purchased for resale, is valued at net realizable value. Costs are determined on a first-in, first-out basis.

Property and Equipment and Restricted Land

Buildings, improvements and land without donor restrictions are recorded at cost, except for donated items which are recorded at fair value based on the assessed value at the date of donation. Buildings located on permanently restricted land sites have been recorded as net assets with donor restrictions by the Society and will be depreciated over their useful lives.

Furniture and equipment are recorded at cost, except for donated items which are recorded at the fair market value on the date of donation. Depreciation is provided over the estimated useful lives of the assets using the straight-line method.

The principal rates for computing depreciation by major asset category are as follows:

Description	Estimated Life (Years)
Buildings and improvements	<u>5-40</u>
Furniture and equipment	3-5

The Society has recorded contributions of land as net assets with donor restrictions, based on the donors' written or implied request to maintain these sites as wildlife sanctuaries into perpetuity.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates. Significant estimates in these financial statements include the calculation of estimated useful lives of property and equipment, the net present value of promises to give receivable, the calculation of the allowance for doubtful accounts, the fair value of investments and the value of the beneficial interests in funds held by others.

Valuation of Long-Lived Assets

In accordance with the provisions of the accounting pronouncement on accounting for the impairment or disposal of long-lived assets, the Society reviews long-lived assets, including property and equipment, for impairment whenever events or changes in business circumstances indicate that the carrying amount of the assets may not be fully recoverable. Management has determined that no assessment was required for the periods presented in these financial statements.

Income Taxes

New Jersey Audubon Society is exempt from federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code. Accordingly, the financial statements do not reflect a provision for federal income taxes. There were no uncertain tax positions at August 31, 2023 and 2022. The Society did not have any income tax related penalties or interest for the years presented.

Revenue and Support Recognition

Contributions and Promises to Give

The Society recognizes grants and contributions, including bequests, as revenue when they are received or unconditionally pledged and records these revenues as without donor restriction or with donor restriction according to donor stipulations that limit the use of these assets due to time or purpose restrictions. Membership dues are deemed to be contributions based upon the limited member benefits received. When a donor restriction expires, net assets with donor restrictions are reclassified and reported in the statements of activities and changes in net assets as net assets released from restrictions.

Unconditional promises to give that are expected to be collected in future years are recorded at the present value of their estimated future cash flows using a risk free rate of return. Conditional promises to give, which include those with a barrier or other measurable performance requirement and a right of return or release, are not recognized as revenue until the conditions on which they depend have been substantially met. Payments received in advance of conditions being met are recorded as refundable advances on the statements of financial position. Management individually reviews all balances on promises to give and based on an assessment of current creditworthiness, estimates the portion, if any, of the balance that will not be collected. Management has determined that no allowance for uncollectible promises to give was required at August 31, 2023 and 2022.

Contributions of Nonfinancial Assets

Contributions of nonfinancial assets are recognized at the estimated fair value determined on the date of contribution. Donated services are recognized as contributions if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Society.

Revenue from Contracts with Customers

Revenues from contracts with customers include revenues from contracts, program fees, sale of merchandise and special events. These are treated as exchange transactions in the statements of activities and changes in net assets. There are no significant financing components as payment is received at or shortly after the point of sale. Funds received in advance from customers for services that have not been performed have been recorded as contract liabilities in the statements of financial position. Sales taxes collected concurrent with the revenue-producing activities are excluded from revenue. Any obligations for refunds are not material and accordingly related disclosures are not provided. These revenues are shown as support with no donor restrictions in the statements of activities and changes in net assets.

Contracts

Revenue from contract agreements is recognized when qualifying expenditures are incurred and conditions under the agreements are met.

Program Fees

Revenues from program fees are recorded once the program has occurred, which is a specific point in time. Refunds are allowed in limited situations prior to the occurrence of the program and occur infrequently.

Sale of Merchandise

Revenues from the sale of merchandise are recorded at the time the goods have been shipped or when taken by the customer, which is a specific point in time. Rates are set for each item sold.

Special Events

The Society accounts for special event income in the statements of activities and changes in net assets net of direct costs related to the events. Funds received in advance for ticket sales or sponsorships are recorded as contract liabilities until the event occurs. Revenues are recognized at a point in time, at the date of the event held.

Other revenues are received from investment income. These revenues are used to offset program and management and general expenses, unless restricted by the donor. Revenues from these sources are recognized at the time the investment income is received.

New Accounting Pronouncements Adopted in the Current Year

Leases

In February 2016, the FASB issued ASU 2016-02, *Leases* (Topic 842), which requires the Fund to recognize a "right-of-use" asset and a corresponding lease liability initially measured at the present value of the lease payments on the statement of financial position for all of the Society's lease obligations, except for certain leases classified as short-term leases. The Society adopted the new standard effective September 1, 2022, using the modified retrospective approach. The adoption of this standard did not have a material impact on the financial statements of the Society.

Functional Expense Classifications

The expenses of the Society are presented in the statements of activities and changes in net assets under the following classifications which describe the Society's program activities:

- Education and sanctuaries To promote educational awareness and environmental protection through summer camps, field trips, lectures and weekend events and to maintain wildlife sanctuaries, educational centers and other properties.
- Stewardship To encourage and support sound conservation and stewardship practices and laws.
- Research To disseminate and advance knowledge of the natural environment through educational and research programs and publications.

All expenses which were not directly associated with the above service categories, primarily management and fundraising expenses are categorized as management and general expenses or development expense. Expenses are allocated on a functional basis between the above classifications. Expenses that can be identified within a specific program or support service are allocated directly according to their natural expenditure classification. Other expenses that are common to several functions are prorated among the functions. Certain costs have been allocated among program service, management and general and development expense. Such allocations are determined by management on an equitable basis.

The expenses that are allocated and the method of allocation are as follows:

Expense Category	Allocation Methodology
Supplies	Direct expense
Insurance	Headcount, direct expense
Telephone	Direct expense
Printing	Direct expense
Postage	Direct expense
Occupancy	Direct expense

Advertising

Advertising is expensed in the period incurred. Advertising amounted to \$35,215 and \$32,519 at August 31, 2023 and 2022, respectively.

3. CONTRIBUTIONS AND BEQUESTS RECEIVABLE

At August 31, contributions and bequests receivable consisted of the following:

	2023	2022
Total contributions receivable	\$ 1,527,397	\$ 2,449,681
Total bequests receivable	-	7,162,796
Less: Discount to net present value	(33,899)	(69,935)
Net contributions and bequests receivable	1,493,498	9,542,542
Less: Current portion	973,397	8,061,436
Contributions and bequest receivable, long term	<u>\$ 520,101</u>	<u>\$ 1,481,106</u>

At August 31, 2023 and 2022, contributions and bequests receivable were discounted using a risk-free rate which was 5.39% and 3.50%, respectively.

Maturities of contributions receivable at August 31, 2023:

In one year or less	\$ 973,397
Between one and five years	 554,000
	\$ 1,527,397

4. FAIR VALUE MEASUREMENTS

The Society has provided fair value disclosure information for relevant assets and liabilities in these financial statements. For applicable assets (liabilities) subject to this pronouncement, the Society will value such assets (liabilities) using quoted market prices in active markets for identical assets to the extent possible (Level 1). To the extent that such market prices are not available, the Society will next attempt to value such assets (liabilities) using observable measurement criteria, including quoted market prices of similar assets (liabilities) in active and inactive markets and other corroborated factors (Level 2). In the event that quoted market prices in active markets and other observable measurement criteria are not available, the Society will develop measurement criteria based on the best information available (Level 3).

The following is a description of the valuation methodologies used for assets measured at fair value:

Mutual Funds

Valued at the daily closing price as reported by the fund. Mutual funds held by the Organization are openend mutual funds that are registered with the U.S. Securities and Exchange Commissions. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Society are deemed to be actively traded.

Beneficial Interest in Funds Held by Others

Valued at the fair market value of the underlying trust assets as determined by the third-party trustee. Due to the significant unobservable inputs required to estimate the fair value of underlying assets, the Society's beneficial interest in funds held by others is classified as Level 3 in the hierarchy.

The following table summarizes assets (liabilities) which have been accounted for at fair value on a recurring basis as of August 31, along with the basis for the determination of fair value:

	2023				
	Total	Level 1	Level 2	Level 3	
Mutual funds - stocks					
Foreign Large Blend	\$ 2,638,279	\$ 2,638,279	\$-	\$-

	<u>\$ 5,477,971</u>	\$ 4,601,507	<u>\$ 284,762</u>	<u>\$ </u>	

During the years ended August 31, 2023 and 2022, changes in value of beneficial interest in funds held by others which are classified as Level 3 totaled \$14,909 and (\$122,371), respectively.

Investment return, net related to these investments is included with investment income earned by cash and cash equivalents on the statements of activities and changes in net assets at August 31, 2023 and 2022, and was comprised of the following:

	2023			2022		
Interest and dividend income	\$	319,003	\$	216,011		
Realized gain		26,709		186,209		
Unrealized gain (loss)		444,971	((1,163,768)		
		790,683		(761,548)		
Less: Investment fees		(30,000)		(23,986)		
	\$	760,683	\$	(785,534)		

5. PROPERTY AND EQUIPMENT

Property and equipment at August 31 was comprised of the following:

			2023		
	 thout Donor estrictions	With Donor Restrictions			Total
Land	\$ 1,000,000	\$	-	\$	1,000,000
Buildings and improvements	5,130,732		1,244,752		6,375,484
Furniture and equipment	700,376	_	-	_	700,376
	6,831,108		1,244,752		8,075,860
Less: Accumulated depreciation	(3,666,204)		(1,014,491)		(4,680,695)
	\$ 3,164,904	\$	230,261	\$	3,395,165
			2022		

	2022								
	Without Donor Restrictions		With Donor Restrictions		Total				
Land	\$	1,000,000	\$	-	\$	1,000,000			
Buildings and improvements		5,109,847		1,244,752		6,354,599			
Furniture and equipment		685,298		-		685,298			
		6,795,145		1,244,752		8,039,897			
Less: Accumulated depreciation		(3,489,814)		(1,001,748)		(4,491,562)			
	\$	3,305,331	\$	243,004	\$	3,548,335			

Depreciation expense charged to operations amounted to \$189,135 and \$191,398 for the years ended August 31, 2023 and 2022, respectively.

6. BENEFICIAL INTEREST IN FUNDS HELD BY OTHERS

The Society is the remainder beneficiary of an interest in a charitable remainder annuity trust held by an outside trustee. The fair value of the trust at August 31, 2023 and 2022, was \$565,433 and \$550,524, respectively. The change in value of the beneficial interest in funds held by others of \$14,909 and \$(122,371) has been reflected in the statements of activities and changes in net assets at August 31, 2023 and 2022, respectively.

The Society is the remainder beneficiary of an interest in two charitable gift annuities held by outside trustees. The fair value of the annuities at August 31, 2023 and 2022, was \$41,178.

7. CASH SURRENDER VALUE - LIFE INSURANCE

The Society is the beneficiary of a life insurance policy. The policy is recorded at its estimated cash surrender value, as determined by the issuing insurance company. At August 31, 2023 and 2022, the estimated cash surrender value was \$296,660 and \$284,762, respectively. Change in the cash surrender value of life insurance of (\$8,102) is presented in change in value of cash surrender value, life insurance in the statements of activities and changes in net assets during the year ended August 31, 2023.

8. FINANCIAL ASSETS AND LIQUIDITY RESOURCES

As of August 31, 2023 and 2022, financial assets and liquidity resources available within one year for general expenditure, such as operating expenses and fulfillment of liabilities, were as follows:

	2023	2022
Financial assets at year end		
Cash and cash equivalents	\$ 2,441,956	\$ 1,764,443
Grants receivable	538,090	285,608
Accounts receivable	63,864	75,797
Contract assets	46,831	32,913
Investments	11,335,483	4,601,507
Promises to give receivable, without donor restrictions	1,493,498	2,379,746
Bequests receivable		7,162,796
Financial assets	15,919,722	16,302,810
Less: Net assets with donor restrictions	(11,553,069)	(11,907,119)
	4,366,653	4,395,691
Liquidity resources		
Available line of credit	-	2,000,000
Estimated annual draw from investment funds	200,000	161,000
Total financial assets and liquidity resources	<u>\$ 4,566,653</u>	<u>\$ 6,556,691</u>

The financial assets above are not subject to donor or other contractual restrictions that make them unavailable for general expenditures within one year of the statement of financial position date. The Society manages its financial assets to be available as its operating expenditures, liabilities and other obligations come due. Excess cash is invested in mutual funds. The Society had an available line of credit of \$2 million through October 31, 2023.

9. LINE OF CREDIT

The Society has a \$2,000,000 line of credit, bearing interest at 0.25% above the prevailing prime rate which expired in October 2023 secured by the investments and all property of the Society. For each of the years ended August 31, 2023 **and 2022**, there was no outstanding balance.

10. CONTRACT ASSETS AND LIABILITIES

Contract assets represent receivables which are not billed but have been earned. Contract liabilities represent funds received in advance of services provided or performance obligations being met. Receivables represent amounts billed for the services provided.

Receivables, contract assets and contract liabilities were as follows:

	 Accounts Receivable			Contract Assets				Contract Liabilities			
	 2023	2022		2022 2023 2022		2023 2022			2023		2022
Beginning of year	\$ 75,797	\$	30,162	\$	32,913	\$	36,122	\$	67,053	\$	47,012
End of year	\$ 63,864	\$	75,797	\$	46,831	\$	32,913	\$	107,750	\$	67,053

The Society received funds in excess of expenditures incurred, resulting in deferred revenue on contracts that continue into the subsequent year and amounted to \$744,730 and \$835,030 at August 31, 2023 and 2022, respectively. Other contract liabilities have been recorded for program fees that are associated with programs occurring in the next fiscal year and amounted to \$107,750 and \$67,053 at August 31, 2023 and 2022, respectively.

11. COST OF GOODS SOLD

Cost of goods sold for the years ended August 31, 2023 and 2022, was computed as follows:

	2023		
Beginning merchandise inventory	\$ 410,780	\$ 402,556	
Purchases	747,570	798,647	
Goods available for sale	1,158,350	1,201,203	
Less: Ending merchandise inventory	459,693	410,780	
Cost of goods sold	<u>\$ 698,657</u>	<u>\$ 790,423</u>	

12. EMPLOYEE RETIREMENT PLAN

All employees of the Society who have completed minimum service requirements are eligible to participate in the New Jersey Audubon Society's Retirement Plan (the "Plan"), a defined contribution plan. Participants in the Plan are eligible to contribute amounts up to the maximum allowed by law on an annual basis. Discretionary employer contributions are determined by the Society and amounted to \$84,936 and \$81,851 for the years ended August 31, 2023 and 2022, respectively.

13. NET ASSETS

Components of net assets with donor restrictions at August 31, 2023 and 2022, were as follows:

	2023			2022		
With donor restrictions - restricted by donor						
for programmatic use as follows:						
Education	\$	429,389	\$	496,882		
Government relations		34,411		13,325		
Stewardship		179,087		139,496		
Research		102,168		-		
SOAR campaign		2,070,728		1,701,203		
		2,815,783		2,350,906		
Time restricted		1,493,497		2,379,746		
		4,309,280		4,730,652		
Donor endowed principal		7,243,789		1,137,154		
Beneficial interest in residual trust		565,433		550,524		
Charitable gift annuity		41,198		41,198		
Bequest receivable		-		6,039,313		
Land restricted as site or sanctuary		16,833,729		16,833,729		
Total net assets with donor restrictions	<u>\$</u>	28,993,429	\$	29,332,570		

Net assets were released from donor restrictions by incurring expenses satisfying the purpose or time restrictions specified by donors as follows:

	 2023	 2022
Purpose restrictions		
Research	\$ 682	\$ -
Government relations	3,914	11,675
Education	147,301	206,584
Stewardship	26,102	68,802
SOAR campaign	 521,712	 206,143
	699,711	493,204
Satisfaction of time restrictions	347,620	166,114
Release from endowment	 -	 -
Total released from restrictions	\$ 1,047,331	\$ 659,318

14. ENDOWMENT FUNDS

Endowment Funds

The Society's endowment consists of approximately 11 individual funds established by donors for a variety of purposes. Additionally, there is a board restricted endowment included in the total investment pool, which is included in net assets without donor restrictions and is subject to the spending policy of the Society as well as to additional board direction as to use. As required by generally accepted accounting principles, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions. The endowment funds established by the donors are included in net assets with donor restrictions with land along with other components such that has been restricted by donors and a beneficial interest in a residual trust. These other components of net assets with donor restrictions are not included in the information below related to endowment funds as they are not subject to investment management practices by the Society.

Interpretation of Relevant Law

The State of New Jersey has enacted the Uniform Prudent Management of Institutional Funds Act ("UPMIFA") effective June 2009. Prior to that New Jersey operated under the Uniform Management of Institutional Funds Act ("UMIFA"). Both UPMIFA and its predecessor, UMIFA, provide guidance on the maintenance and spending of endowment funds when the intent of the donors is not clear. UPMIFA provides new guidelines for the expenditure of an endowment fund with donor restriction, absent explicit donor stipulations. UPMIFA eliminates UMIFA's requirement for a permanent endowment to be maintained at its historic dollar value amount and instead allows not-for-profits to adopt prudent spending policies which can allow for invasion of corpus. Furthermore, the permanent endowments of the Society are subject to written instruments in which the donor's intent as to purpose and spending policies are explicitly indicated.

The Society has interpreted state law as requiring the preservation of the value of the endowment fund with primary consideration given to the donor intent expressed in the gift instrument. For those donations subject to UPMIFA, the Society has followed the donor instruments in classifying as net assets with donor restrictions (a) the original value of gifts donated to the permanent endowment and (b) the original value of subsequent gifts to the permanent endowment. The Society considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- (1) The duration and preservation of the fund
- (2) The purposes of the Society and the donor-restricted endowment fund
- (3) General economic conditions
- (4) The possible effect of inflation and deflation
- (5) The expected total return from income and the appreciation of investments
- (6) Other resources of the Society
- (7) The investment policies of the Society.

Return Objectives and Risk Parameters

The Society has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Endowment assets include those assets of donor-restricted funds that the Society must hold in perpetuity. Under this policy, as approved by the Board of Trustees, the endowment assets are invested in a manner that is intended to minimize risk and maximize current income. The Society expects its endowment funds, over time, to provide an average rate of return of approximately 4.5% annually. Actual returns in any given year may vary from this amount.

Strategies Employed for Achieving Objectives

To satisfy its long-term rate-of-return objectives, the Society relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Society targets an asset allocation that equally balances equities and fixed income investments to achieve its long-term return objectives within prudent risk constraints.

Spending Policy and How the Investment Objectives Relate to Spending Policy

The Society has a policy of appropriating for distribution each year 5% of its endowment fund's average fair value. Effective September 1, 2017, the Society will reduce the distribution by .25% each year until the rate is reduced to 3%. For both of the years ended August 31, 2023 and 2022, the spending rates were 3.00%. In establishing this policy, the Society's investment portfolio is expected to keep up with inflation over the long-term.

Additional appropriations from the endowment without donor restriction can be made at the discretion of the Board for capital improvements or other strategic initiatives. This is consistent with the Society's objective to maintain the purchasing power of the endowment assets held in perpetuity or for a specified term as well as to provide additional real growth through new gifts and investment return. The following tables provide information regarding the change in the endowment net assets for the years ended August 31:

Wit					
Without Donor Restrictions		_	/ith Donor estrictions	Total	
\$	3,311,417	\$	1,290,090	\$	4,601,507

The value of the beneficial interest in funds held by others included in total net assets with donor restrictions is not included in the above tables. See Note 6 for details on the beneficial interest.

The value of land held in perpetuity included in total net assets with donor restrictions is not included in the tables above. See Note 5 for a description of land held in perpetuity.

15. CONTRIBUTIONS OF NONFINANCIAL ASSETS

The Society recognized contributed nonfinancial assets within revenue, including program supplies and legal services. Contributed services did not have donor-imposed restrictions. Contributed services recognized comprise legal services from legal professionals. Contributed services are valued and are reported at the estimated fair value in the financial statements based on current rates for similar legal services.

Contributions of nonfinancial assets consisted of the following for years ended August 31:

		2023	 2022		
Legal services	<u>\$</u>	56,315	\$ 45,869		

16. RELATED PARTY TRANSACTIONS

For the years ended August 31, 2023 and 2022, contributions from members of the Board of Directors amounted to approximately \$212,000 and \$166,000, respectively.

17. RISKS AND UNCERTAINTIES

The Society's financial instruments that are exposed to concentrations of credit risk consist primarily of its cash, cash equivalents, investments, grants receivable and contributions and promises to give receivable. The Company has significant cash balances at financial institutions which throughout the year regularly exceed the federally insured limit of \$250,000. Any loss incurred or a lack of access to such funds could have an adverse impact on the Company's financial condition, results of operations, and cash flows. Cash equivalents and investments are in high-quality securities. Although subject to market fluctuations, this investment policy somewhat limits the Society's exposure to concentrations of credit risk.

The Society invests in various investments which are exposed to various risks such as interest rates, credit and overall volatility risks. Due to the level of risk with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the Society's account balances and the amounts reported in the accompanying financial statements.

The Society has a long-standing history of collecting its promises to give and contributions receivable which are from various individuals, corporations and foundations. An allowance for uncollectible accounts is normally recorded in the financial statements for any amounts considered uncollectible. This limits the Society's exposure to credit risk.

18. SUBSEQUENT EVENTS

The Society has evaluated subsequent events occurring after the statement of financial position date through the date of March 7, 2024, the date the financial statements were available for release. Based upon this evaluation, the Society has determined no subsequent events require disclosure or adjustment in the financial statements.
