

## 5th – 8th Grade

Continued

July 21st – 25th

### ADVANCED FISHING

Price: \$400\*

Test your knowledge as we meet at different natural areas each day in search of fish and the skills necessary to catch them! \*Participation in other weeks of Fishing camp is not necessary to join us for this week, though some fishing experience is required. Additional field trips include fishing by kayak and fishing at new locations for different species. Transportation is not provided.

August 4th – 8th

### REPTILES AND AMPHIBIANS

Do you like frogs, snakes, salamanders, and turtles? Did you know there are 71 species of reptiles and amphibians in NJ? Spend a week with us to see how many we find. Each day we will meet at a different natural area in search of our slimy, scaly friends!

August 11th – 15th

### CONSERVATION CORPS. CAMP

Join us for a fun and engaging week of hands-on stewardship projects! We'll be forging trails, planting native species, learning about the threats NJ's forests face, using technology to investigate the local flora and fauna, and learning digital nature photography techniques. Each day we will meet at a new local natural area.

August 18th – 22nd

### WILD SURVIVAL

Learn some of the basics of outdoor survival. Learn how to build a debris shelter, track animals, find water, use a compass, and live off the land! Make a fishing pole and go fishing, make a hiking stick, learn how to build a campfire, forage safely and effectively, and more. Each day we will meet at a different public park. Transportation is not provided.

## Pre-K/K (4 years +)

9 am – 12 pm

Price: \$220

June 30th – July 3rd

### SPROUTS: SUMMER NATURE QUEST

Send your little ones on a fabulous forest quest with Goldie the Goldfinch! We'll explore the woods, trek the trails, and learn about nature topics with the help of some magical forest friends during this special short week camp program for Pre-K and Kindergartners.

SUMMER 2025

# NATURE CAMPS

NEW JERSEY AUDUBON LOOKS FORWARD TO SHARING THE  
WONDERS OF NATURE WITH YOUR CHILD THIS SUMMER.

Now more than ever, we know how important it is for  
children to get outdoors. To run and jump and splash; to  
watch and wonder and be excited about the natural world.  
Our 2025 Camps are designed to do just that!

All Federal, State, and local health guidelines will be followed  
to keep children and our summer camp teachers safe.

NJ Audubon membership is required to sign up for camps.  
Members strengthen the voice with which NJA speaks out for  
protection of NJ's wildlife and natural areas.

## 1st – 4th grade

9 am – 12 pm

Price: \$275\* unless otherwise noted  
(5% discount for early bird pricing).

### June 23rd – June 27th ARTISTS IN THE WOODS

Join us for a fun-filled week of creativity and nature exploration! Artists in the Woods is the perfect opportunity for kids to unleash their artistic talents while enjoying the great outdoors. Don't miss this exciting opportunity to nurture your child's creativity by connecting with nature.

### June 30th – July 3rd ALL ABOUT ANIMALS Price: \$220

Is your young biologist obsessed with learning about animals? This short camp week we will observe the bugs, birds, reptiles, mammals, and amphibians that live in NJ, and discovering what makes them unique. Discover how nocturnal animals see so well at night, investigate the adaptations that make raptors such successful hunters, and much more!

### July 7th – 11th HABITAT HEROES

Every habitat needs a hero to fight for it! Explore different habitats and learn how to become a Habitat Hero in this "super" camp week! Campers will explore the spaces that make up our sanctuary and the animals and plants that call Lorrimer home. Discover what needs these creatures have and how to help them thrive!

### July 14th-18th WEIRD AND WILD WATER

Let's dive into the wonderful, weird, and wild world of water! Experience the aquatic world in a new way as we investigate stream life up close, learn about the life cycles of amphibians and aquatic insects, and play water games to beat the heat! Campers should prepare to get wet during this week of camp.

### July 21st – 25th HIGH IN THE SKY

Did you know birds have hollow bones and dragonflies are the apex predator of the insect world? From birds to butterflies, bats to bees, this week features all of NJ's coolest flying critters. We will focus on learning binocular skills and exploring how flying animals like bats, owls, dragonflies, and flying squirrels fly!

### August 4th – 8th ROCK 'N' ROLL

New Jersey is known for famous rockstars like Bruce Springsteen and Bon Jovi, but we know of an even cooler way to ROCK – geology, that is! Join us for a rockin' good time this week as we learn all about glaciers and minerals plus dig for fossils, gemstones, and more!

### August 11th – 15th WILDERNESS SKILLS CAMP

Bring out the wild in your child while we explore and experiment with various survival techniques! This week we will build shelters, learn about tracking, natural dyes and paints, develop wilderness safety skills, and culminate with a family campfire.

### August 18th – 22nd BUDDING BOTANISTS

Discover the scientist in your child as they explore the cool and colorful world of plants! From towering trees to the tiniest mosses, we will investigate some of nature's coolest producers. Did you know that NJ has carnivorous plants, wildflowers, and cacti? Get excited to learn more about our most overlooked forest friends.

### August 25th – 29th GREATEST HITS!

Come play camp favorite games like Poison Dart Frog, Camouflage, and Tsunami, build shelters, roll logs, visit with Lorrimer's resident reptiles, explore favorite locations like the stream and wetland, and have a blast as we celebrate the last week of summer vacation!

## 5th – 8th Grade

8:30 am – 12:30 pm

Price \$375\* unless otherwise noted

### June 23rd – June 27th FISHING 1

Join us for five days of fishing fun and instruction. Whether you're an experienced fisher, or a beginner eager to learn, this camp is for you! We'll cover all the basics from gear, bait and lures to proper fish handling and conservation ethics. Each day we will meet at a different publicly accessible pond or stream in the local area. Bring your own gear: rod, reel, and a tackle box (if you don't have your own gear, ask us about loaners).

### June 30th – July 3rd YOUNG BIRDERS CAMP

Price: \$300 | Time: 8:30-11:30am

Whether a novice or practiced birder, this camp experience offers something for any young bird lover. Campers will meet at local birding hotspots to hone their birding skills and engage with community science apps like Merlin and eBird, as well as learn from the experts about ID tips and tricks. Binoculars and a scope will be provided, but campers are welcome to bring their own birding equipment, including cameras.

### July 7th – 11th FISHING 2

Join us again as we meet at a different natural area each day to fish and improve your fishing techniques! \*Participation in the first week of Fishing camp is not necessary to join us. Transportation is not provided.

### July 14th- 18th FISHING 3

Whether it is your first-time fishing, or this is the third week spent with Lorrimer's fishing camp, join us again as we meet at a different natural area each day in search of fish and the skills necessary to catch them! \*Participation in other weeks of Fishing camp is not necessary to join us for this week! Transportation is not provided.
