

Since 1956, **NEW JERSEY AUDUBON'S LORRIMER SANCTUARY** has been a refuge for wildlife, a classroom for nature lovers, and a cornerstone of environmental conservation in our community. Lorrimer Sanctuary has inspired generations to connect with the natural world. Now, we're inviting you to be part of the next chapter.

2026 IS OUR 70TH ANNIVERSARY, a milestone year marking more than celebration—it's a launching point. With your support, we're expanding our nature center to reach more students, serve more families, and educate future generations.

Our expansion project will include:

- Enhanced indoor learning spaces for environmental education
- Outdoor wildlife viewing area
- Accessible restrooms
- Updated driveway and grounds

Whether you're a longtime supporter or discovering Lorrimer Sanctuary for the first time, your generosity ensures that our nature's classroom remains open for decades to come.
